

Cleaning made clear.

ANTI-GRAFFITI + DRY-ERASE LAMINATE

Soft cloth. Light pressure.

IMPORTANT: DO NOT use an abrasive sponge.

01

Everyday stains

Gasoline, rubber scuff marks, coffee and similar staining agents can be wiped clean with a damp cloth.

02

Crayon, lipstick & ketchup

Remove with full-strength household detergent, then rinse with water.

03

Graffiti & permanent marker

For paint, permanent marker or other heavy oil- or grease-based stains, use a graffiti-removal spray such as **Goof Off**. Solvents such as acetone and lacquer thinner have also proven effective.

04

Dry-erase ghosting

RAPID REMOVER has proven effective for removing dry-erase "ghosting."

Apply cleaning agents with a soft cloth and light pressure. Follow the cleaner manufacturer's instructions.
